GSB THABA TSHWANE SPORTS DAY

It was a sunny day on Friday, 03 May 2013 and members were very excited to take part in Sports activities that were lined up for the day. Just before the GOC declares the function officially opened, the members warm themselves up with taiboo that lasted for an hour. There were different kinds of Games that were played, e.g. Potted Sports, Volley Ball, Tug of War, Mini Soccer etc. This exciting event took place in a very well disciplined manner, the games and Sports lasted for about 5-6 hours and then came the most interesting moment of appreciating the winners by awarding them trophies and certificates. This was the ultimate moment of pleasure for winners when they get their rewards for their good work from the General Officer Commanding, Brig Gen S.S. Fortuin.
